

# NOSTALGIA NON-FICTION ARTICLE GUIDELINES

Every article is read with interest but the Features department receives more than 100 manuscripts a month, and is able to publish only one a fortnight. Due to the number of articles submitted we aren't able to reply to everyone. If we are able to use your article we will of course let you know.

- Submissions should be up to **300 words approx** for a half-page article. It is rare for Yours to read, or to publish any article of greater length than this.
- Manuscripts must be typed on one side of the paper and the title page should include: an accurate word count and your full name, address and telephone number.
- ***Please try to enclose relevant photographs to illustrate your article, marked with your name and address on the back***
- You should include a short CV of yourself, together with a clear, colour head and shoulder picture of yourself
- All photographs should be marked with your name, address and telephone number
- If you would like your manuscript return please state that and include an SAE.

## IMPORTANT

- **Any article submitted must not have been published elsewhere and, if published by us become exclusive to Yours magazine on an all-rights basis.**
- **Yours magazine reserves the right to edit, alter or shorten any article submitted and it may not appear in its entirety and it may appear in any of our publications.**
- **Although all reasonable care is taken, Yours magazine can assume no responsibility for the safety of unsolicited articles or photographs, so it is a good idea to send copies. Please enclose a stamped addressed envelope if you would like your manuscript returned.**

## KNOW YOUR AUDIENCE

Before submitting any articles, it is **essential** that you study at least **six** issues of Yours magazine. **Most submissions are rejected because the subject matter and/or the style of writing is unsuitable for readers.**

Reading back issues will give you a good idea of the sort of person who reads YOURS and the general tone we use - which is informal and chatty.

## **SUBJECTS**

We are currently looking for inspirational stories and adventures to inspire our readers.

## **STYLE AND TONE**

Your article should grab the reader from the first sentence. Our style is friendly and warm - after all, your contributions are what makes YOURS the magazine it is! And 400,000 readers a fortnight can't be wrong.
